#### **AUTHORITY AND DUTIES OF DIRECTORS**

Section 3.01 Authority of Directors: The Board of Directors ("the Board") is the policy-making body and may exercise all the powers and authority granted to the Corporation by law. The Board shall oversee the Corporation's operations.

Section 3.02 Number of Directors: The Board shall consist of no more than fifteen or fewer than three (3) Directors. The number of Directors may be increased or decreased from time to time by Board resolution or amendment to these bylaws; however, a change in the number of Directors shall not remove a Director from his or her position as a Director prior to the expiration of his or her term of office. At all times, the majority of the members of the Board of Directors shall be appointed by Resolution of the Board of Directors of the Corporation. In the event that the number of Directors is zero, reconstitution of the Board shall be subject to Chapter 252, Business Organizations Code or its successor statute..

Section 3.03 Election and Term of Directors:

(a) The first Board of Directors of the Corporation shall consist of those persons named in the Certificate of Formation. Such persons shall hold office until the first election of Directors. Thereafter, at each Annual Meeting of the Board of Directors, Directors shall be elected. Each Director shall hold office for a term of two years and until his or her successor has been elected and qualified; however, Directors shall be elected so that the terms of approximately one-half of the Directors shall expire in alternate years. After the first election of Directors, the Directors shall randomly select which Directors' terms end in an odd or even numbered year. Directors may serve consecutive terms.

(b) The Board shall set the number of Directors to be elected at each Annual Meeting, so long as the total number of Directors does not exceed fifteen (15).

Section 3.04 Resignation and Removal: Resignations are effective upon receipt by the Secretary (or receipt by the President or other officer if the Secretary is resigning) of written notification or a later date if provided in the written notification. One or more Directors may be

If a Director fails to attend three consecutive meetings of the Board, the Board shall evaluate the Director's contribution to the work of the Corporation, his or her reasons for not attending the meetings, as well as any other relevant factors, and if it appears to be in the best interest of the Corporation, may declare the position vacant.

Section 3.05 Vacancies: Vacancies existing by reason of resignation, death, incapacity, or removal before the expiration of a term may be filled by the Board. The presence of any Director at a meeting, whether in person or by telephone conference who does not object to the lack of notice is considered to have waived notice of the meeting.

Section 3.08 Quorum and Voting: Unless a greater proportion is required by law, a quorum is a majority of the total number of Board members in office. All decisions will be by majority vote of those present at a meeting at which a quorum is present.

Section 3.09 Action Without a Meeting: Any action required or permitted to be taken at a meeting of the Board (including amendment of these Bylaws or the Certificate of Formation) or of any committee may be taken without a meeting if all the members of the Board or committee consent in writing to taking the action without a meeting and to approving the specific action. Such consents shall have the same force and effect as a unanimous vote of the Board or of the committee as the case may be.

Section 3.10 Participation in Meeting by Conference Telephone: Any or all members of the Board may participate in a meeting by conference telephone or similar communications equipment, so long as members participating in such meeting can hear one another, and such participation shall constitute presence in person at the meeting.

Section 3.11 Compensation of Directors: Directors shall not be compensated for serving on the Board, but the Corporation may reimburse Directors for documented reasonable expenses incurred in the performance of their duties to the Corporation.

## **ARTICLE VIII.**

### **CONFLICT OF INTEREST POLICY**

**Section 8.01 Purpose:** The purpose of the conflict of interest policy is to protect the Corporation's interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer or director of the Corporation or might result in a possible excess benefit transaction. This policy is intended to supplement but not replace any applicable state and federal laws governing conflict of interest applicable to nonprofit and charitable Corporations.

**Section 8.02 Definitions:**

*"Interested Person"*: Any Director, principal officer, or member of a committee with Board delegated powers who has a direct or indirect financial interest, as defined below, is an interested person.

*"Financial Interest"*: A person has a financial interest if the person has, directly or indirectly, through business, investment, or family:

- (a) An ownership or investment interest in any entity with which the Corporation has a transaction or arrangement;
- (b) A compensation arrangement with the Corporation or with any entity or individual with which the Corporation has a transaction or arrangement; or
- (c) Is considering an ownership or investment interest in, or compensation arrangement with, any entity or individual with which the Corporation is negotiating a transaction or arrangement.

*"Compensation"*: Direct and indirect remuneration, including gifts or favors that are not insubstantial.

*"Conflict of Interest"*: A conflict between the personal or financial interests and the official or professional responsibilities of a person in a position of trust. A "Conflict of interest" includes situations in which the employee, family member, or board member has a financial interest in the business or individual selected for the contract. A financial interest is not

necessarily a conflict of interest. Under Section 8.03 (b), a person who has a financial interest may have a conflict of interest only if the appropriate Board or committee decides that a conflict of interest exists.

Section 8.03 Procedures:

(a) *Duty to Disclose:* If an actual or possible conflict of interest arises, an interested person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the Directors and members of committees considering the proposed transaction or arrangement.

(b) *Determining Whether a Conflict of Interest Exists:* After disclosure of the financial interest, whether direct or indirect, disclosure of all material facts, and after any discussion with the interested person, he or she shall leave the Board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining Board or committee members shall decide if a conflict of interest exists.

(c) *Procedures for Addressing the Conflict of Interest:*

- (i) An interested person may make a presentation at the Board or committee meeting, but after the presentation he or she shall leave the meeting during the discussion of and the vote on the transaction or arrangement involving the possible conflict of interest.
- (ii) The Chair or President of the Board or committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.
- (iii) After exercising due diligence, the Board or committee shall determine whether the Corporation can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.
- (iv) If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the Board or committee shall determine by a majority vote of the disinterested Directors or committee members whether the transaction or arrangement is in the Corporation's best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination it shall make its decision as to whether to enter into the transaction or arrangement.

(d) *Violations of the Conflicts of Interest Policy:*

- (i) If the Board or committee has reasonable cause to believe a member has failed to disclose actual or possible conflicts of interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.
- (ii) If, after hearing the member's response and after making further investigation as warranted by the circumstances, the Board or committee

determines the member has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

Section 8.04 Records of Proceedings: The minutes of the Board and all committees with Board delegated powers shall contain:

- (a) The names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the Board's or committee's decision as to whether a conflict of interest in fact existed.
- (b) The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the proceedings.
